

THE ONE CHALET

Luxury ski chalet for 13 with indoor pool and sauna

If you love designer chic and luxury living, this fabulous chalet is The One for you!

Fabulous farmhouse with indoor pool just minutes from pistes and bars.

This magnificent 5 star chalet, 'The One Chalet', was built based on an authentic Savoyard farmhouse, with the smaller, original mazot in the garden conserved. The owners purchased the property in 2012, then started renovating it into the exceptional chalet that you will never want to leave ! Located in a quiet hamlet of Morzine, it also has the advantage of being only 10 minutes on foot from the town center: the ideal place for your next holiday, whatever the time of year. The original layout of the chalet will allow every guest to find their own space in this superb contemporary interior. The garden, balconies and terrace allow you to admire the breathtaking views of the slopes, the resort and the surrounding forest that kids will love to explore in both winter and summer.
